

# 48hours challenge

PRESENTED BY

**3iS**  
EDUCATION

2024 EDITION

## BRINGING TOGETHER STUDENTS AND GEECT MEMBER SCHOOLS

Students will **write, shot and edit a very short film**, in English (or subtitled in English) in 48 hours.

One unique theme will be imposed for all films of **1 to a maximum of 2 minutes**, credits included.

In addition to its **educational scope**, the challenge aims to **foster connections between schools and students**.

The winners will be selected in two stages:

- Each participating school selects up to **4 films for the final**
- **3 final-winners** will be selected from among the proposed final films.
